NEWS ITEMS

Staff Notes

Professor P. H. Brieger spoke on "Leonardo and His Age" at Queen's University on February 5. On March 11 he will lecture on "Westminster Abbey: Scene of the Coronation" in the Coronation lecture series at the Art Gallery of Toronto.

Professor J. W. Graham attended the Archaeological Institute of America annual meeting at Cleveland, December 28–30, and read a paper on "The House of Many Colours." He spoke to the Toronto Society of the Archaeological Institute on "The Greek House" on January 6.

Professor C. F. Comfort spoke on the exhibition of Liturgical Art at Hart House on January 28, and on February 15, with Yousuf Karsh and R. Hargreaves, acted as judge of Hart House's annual photographic exhibition. Professor Comfort will address the Arts Club of Avro Canada Limited on "Abstractions in Canadian Landscape" on March 12, and on March 16 will speak to the Art Association of Queen's University on his recent Italian journey.

Professor G. S. Vickers attended the College Art Association's annual meeting in Cleveland, January 28–30. On February 24 he lectured at McMaster University on "The Romanesque Historiated Capital" and on March 18 will lecture at the Art Gallery of Toronto on "Royal Palaces and Residences of Great Britain."

S. J. Key spoke to the Art Association of Niagara Falls on "Trends in Contemporary Painting." On April 8 he will lecture on "Exhibitions of Paintings and Sculptures on during the Summer" in the Coronation lecture series at the Art Gallery.

Dr. J. A. Baird attended the College Art Association's meeting in Cleveland and gave a paper on "South Italian and Sicilian Architecture 1660–1780." In February he delivered five lectures for the Department of Italian, Spanish and Portuguese and six for the Department of Slavic Studies. On February 11 Dr. Baird spoke on "Modern Mexican Muralists" at the Art Gallery of Toronto in connection with the Orozco exhibition.

F. E. Winter attended the Archaeological Institute of America meeting in Cleveland and read a paper on "Philo of Byzantium and the Study of Hellenistic Fortifications."

Professor J. F. Heard lectured on February 19 to the Specialist Navigation Course of the R.C.A.F. Navigation School at Summerside, P.E.I. on the subjects of "Time Difference Navigation Tables" and "Refraction at Low Altitudes."

Professor Helen E. Fernald lectured on "Some Chinese Art Treasures in the Royal Ontario Museum" before the Brantford Art League on February 9. Professor Fernald will lecture in New York on March 13 before the Chinese Art Society of America on the subject, "Chinese Sculpture of the Sixth Century."

J. Spelt recently lectured on "Southeast Asia" and "Benelux," and A. Tayyeb spoke on the "Middle East" and "India and Pakistan" to the R.C.A.F. at Trenton and Clinton, and to the Canadian Army at Camp Borden.

Professor J. B. Conacher, Department of History, Toronto representative on the national executive of the Canadian Association of University Teachers, wishes to remind members of the staff that they may join the C.A.U.T. by sending him their $2.00 fee. "At present, the University of Toronto, with only 73 members, lags behind most other Canadian universities," Professor Conacher reports.

Papers to be presented at the annual convention of the Association of American Geographers at Cleveland, March 30–April 2, include "Industrial Location in Canada, 1939–1949" by Professor Donald Kerr, and "Company Towns and Parasite Communities in Western Newfoundland," by Dr. William C. Wonders.

Professor Ralph Flenley read a paper on February 10 to the Toronto Fellows of the Royal Society of Canada, entitled "History and its Neighbours Today."

Professor Frank Underhill opened a C.B.C. Wednesday Night Series on Canadian Foreign Policy on February 4 with a talk entitled "Had Canada a Foreign Policy in 1928?" Professor Underhill addressed a joint meeting of the High School History Teachers of Greater Toronto and the Department of History on "History in an Age of Anxiety."

Professor Bertie Wilkinson has written a pamphlet for The Historical Association entitled "A History of the Coronation" which is to appear at the time of the Queen's coronation next June. Professor Wilkinson has been invited to deliver the John Hinkley Lectures in English History at Johns Hopkins University this spring.

Professor R. M. Saunders has recently prepared a pamphlet for the Bureau of Current Affairs entitled "The New Turkey." On January 17 Professor Saunders spoke to the Hamilton Association on "Crises in the Middle East."

Professor J. M. S. Careless spoke to the University Men's Club of Port Hope, January 29, on "Patterns in Ontario History." He also spoke at Humberside Collegiate, February 10, on "Canada and World Problems."

Professor George W. Brown addressed the Heliconian Club January 20 on "Authors and Publishers."

On February 11, Professors Easterbrook, Goudge, McLuhan, Williams and Turner participated in a television production on Station C.B.L.T., discussing the university and its role in cultivating appreciation of literature and the arts.

Professor Emilio Goggio will speak at the annual convention of the Ontario Modern Language Teachers' Association on "Modern Language Studies: The Challenge of Today," on April 7 at the Women's Union Theatre.

Professor Juan Cano will address the Spanish Section of the Ontario Modern Language Teachers' Association on "Aspectos culturales de la España de hoy" on April 8.

T. L. C. Dawson has been appointed to the Public Relations Committee of the Southern Ontario Chapter of the American Association of Teachers of Spanish and Portuguese.

Professor J. H. Parker has been elected chairman of the Renaissance and Golden Age Spanish section of the Modern Language Association of America for 1953.

Professor C. B. Macpherson has given the following lectures: on January 8, at the London School of Economics and Political Science, "The Quasi-Party System"; on January 26, in the University of Oxford, "Canada as a Nation in the Commonwealth"; on February 3, in the University of London, "The Social Bearing of Locke's Political Theory."

Professor William Line attended the 13th meeting of the Executive Board of the World Federation for Mental Health in London, England, February 1–7.

Professor J. D. Ketchum addressed the Victoria College Women's Association on January 28 on "The Place of the Social Sciences in Education."

Professor D. C. Williams attended a meeting of the Planning Committee of the International Union of Scientific Psychology held at Harvard University, January 24.

The annual meeting of the Ontario Psychological Association held at London, Ontario, January 30–31, was attended by several members of the staff of the Department of Psychology.

Professor B. E. Shore gave a public address entitled "Yugoslavia Today" in Hamilton in McMaster University's "The World Today" series, on February 21.

Professor L. I. Strakhovsky has accepted an invitation to give a summer course on Russian History at Michigan State College, East Lansing.

Dr. F. E. J. Fry attended a conference on Orientation in Animals sponsored by the U.S. Office of Naval Research. The conference which was held in Washington on February 6 and 7 was limited to those who had been invited to participate.

Dr. F. M. Heichelheim has been invited, as a Guest Professor, to lecture on "Ancient Economic History" at the Freie Universitaet Berlin in West Berlin next summer.

Professor C. R. Parsons addressed the Cercle Français of St. Michael's College on January 22 on the subject, "La tradition des contes pour la jeunesse en France."

Between April 9 and 30, Professor Pierre Mélèse will lecture before the French Institute in New York, at Johns Hopkins University, and at meetings of the Alliance Française in New York, Stamford, Bronxville, Plainfield, Pittsburgh and Chicago.

Professor G. M. A. Grube has been appointed Walker-Ames Visiting Professor in Classical Languages in the University of Washington for the Spring Term.

Professor W. Stewart McCullough is giving six lectures on the Old Testament, from February 3 to March 10, at the Leadership Training School, sponsored by the Toronto Religious Education Council, in St. Andrew's United Church, Toronto.

Professor J. W. Wevers gave a lecture on "The Succession of Empires in the Old Testament" to the Trinitarian Society on February 2.

Professor D. Savan read a paper entitled "C. S. Peirce's Conception of Logic" to the C. S. Peirce Society in New York on December 29.

On February 17 Dr. E. L. Fackenheim addressed the following organizations in London, Ontario: the Philosophy Club at the University of Western Ontario, a joint meeting of the Students' Christian Movement and the Hillel Foundation, and the local B'nai B'rith Lodge. Dr. Fackenheim will spend the week of March 15 at the University of Vermont, Burlington, giving addresses and conducting seminars in connection with Religious Emphasis Week.

Professor Northrop Frye attended the Modern Languages Association meeting in Boston December 27–29, and read two papers, "The Literary Meaning of Archetype" and "Characterization in Shakespearean Comedy."

Professor W. L. Sagar has been elected 1st vice-president of the Association of Professional Engineers of the Province of Ontario.

Professor E. A. Allcut addressed the Society of Industrial and Cost Accountants at Peterborough on January 27 on "Modern Trends in Industrial Organization and Management." Professor Allcut also addressed the Empire Club of Canada on February 19 on "Automobiles of the Future."

Professors J. M. Ham, J. E. Reid and G. F. Tracy, and C. E. Doeringer attended the Winter General Meeting of the American Institute of Electrical Engineers in New York, January 19–23.

Professor G. Sinclair conducted a seminar on Antennas for Circular Polarization at the Radio Physics Laboratory of the Defence Research Board in Ottawa, February 11.

Drs. R. R. McLaughlin and W. H. Rapson attended the Fundamental Research Committee Meeting of the Technical Section of the Canadian Pulp and Paper Association in Montreal, January 29, and described the activities in this field being carried

on in Toronto. Dr. McLaughlin also attended the opening of the Leo G. Ryan Research Laboratories of Monsanto (Canada) Ltd., in Montreal on January 23.

Dr. G. N. Patterson, Dr. I. I. Glass, J. G. Hall, L. R. Fowell and B. N. Pridmore-Brown attended the Institute of the Aeronautical Sciences annual meetings, January 26–29, and a university conference on shock wave research at Princeton University on January 28.

Fourteen members of the Institute of Aerophysics staff attended the Fluid Mechanics Symposium held February 26–27 at the National Aeronautical Establishment. This is the first symposium of this type to be held in Canada. Papers on supersonic aerodynamics were presented by Dr. G. N. Patterson, Dr. I. I. Glass, J. G. Hall, L. R. Fowell and B. N. Pridmore-Brown.

Professor C. P. Brockett has been asked to serve on the Program Committee of the 1953 Toronto Conference of the American Institute of Chemical Engineers and the Chemical Engineering Subject Division, Chemical Institute of Canada, meeting during April 27–29.

Professor D. V. Love spoke on "The Economics of Forestry" at the monthly meeting of the Southern Ontario Section, Canadian Institute of Forestry, held in Toronto on January 14.

Dean J. W. B. Sisam attended the Canadian Lumbermen's Association's annual convention in Montreal on February 9.

Dr. Arnold Walter flew to Paris on January 27 for a conference at UNESCO House sponsored by the International Music Council and UNESCO. He is chairman of the Preparatory Commission for the First International Conference on Music Education to be held at Brussels this summer. Dr. Walter is speaking in Buffalo at the biennial convention of the Eastern Division of the Music Educators National Conference, February 27 to March 3.

Extramural lectures will be given in March by Dr. J. E. Moser before the Stratford and District Dental Society and the Kingston and District Dental Society, by Dr. J. R. Fletcher before the London Dental Society, by Dr. M. N. Rockman before the Grey–Bruce–Dufferin Dental Society at Owen Sound, by Dr. W. G. McIntosh before the Ottawa Dental Society, and by Dr. C. H. M. Williams before the Essex County Dental Society at Windsor.

Dr. R. E. Moyers will speak before the Detroit Dental Clinic Club at its March 5th meeting. In the afternoon his subject will be "Differential Diagnosis of Temporomandibular Problems," and in the evening he will speak on "The Physiology of Centric Relation."

Dr. W. G. McIntosh will address the Hamilton Dental Association at its March 12th meeting.

Dean R. G. Ellis will be the speaker at the Winnipeg Dental Society meeting on March 16. Dean Ellis and Dr. C. H. M. Williams are the official delegates to the American Association of Dental Schools annual meeting in Philadelphia, March 23–25. Several senior members of the Faculty of Dentistry staff will attend this meeting.

Professor Charles E. Hendry presented a paper on "The Contribution of Community Organization to the Raising of the Standards of Living in Underdeveloped Areas" at the Sixth International Conference of Social Work, Madras, India, on December 17. Professor Hendry spoke to the Scientific Advisory Committee, Canadian Association for Mental Health, February 15, on "Observations on Social Policy and Social Developments in India, Pakistan and Israel and Implications for the West in Relation to Mental Health." Professor Hendry gave an address over C.B.C. Trans-Canada network on "A Canadian Looks at India" on January 24.

Professor Alan F. Klein spoke to the National Executive Council of the B'nai B'rith Youth Organization in Washington on "Achieving Professional Standards in Group Work." Professor Klein addressed the Canadian Association of Physical and Health Education and Recreation, in Toronto, on "The Relationship Between Physical Education and Recreation."

Professor Albert Rose conducted a Workshop on "Problems of the Suburban Fringe" at a Planning Conference sponsored by the Ontario Department of Planning and Development in Hart House on January 20. Professor Rose attended the nineteenth meeting of the National Council of the Community Planning Association of Canada in Montreal, January 30–31.

Miss F. Emory will attend the quadrennial meeting of the International Council of Nurses to be held in Brazil, July 6–18.

Miss E. Howard participated in an In Service Education Programme at Ottawa Civic Hospital, February 19–21. The theme for discussion is "The Role of the Head Nurse as Teacher and Administrator."

Miss N. Fidler and Miss M. Allemang attended a conference related to The Curriculum of University Schools of Nursing, in East Lansing, Michigan, January 20 and 21. The programme was sponsored by the W. K. Kellogg Foundation.

C. A. Johnston, the University's Purchasing Agent, has been elected a professional member in the Chemical Institute of Canada.

Faculty and School Notes

An Eye Surgery Refresher Course is being held in the Faculty of Medicine from April 13 to 17. Guest Surgeons will be Dr. D. K. Pischel, San Francisco, and H. B. Stallard, F.R.C.S., London, England. Members of the staff of the Department of Ophthalmology will contribute extensively to the course.

A continuation course for dental graduates in the subject of Dental Caries: Etiology and Prevention is scheduled for March 5 and 6. Dr. L. S. Fosdick from Northwestern University, Chicago, will be guest lecturer, and the course will be under the direction of Dr. G. Nikiforuk.

A continuation course for dental graduates in the subject of Endodontics is scheduled for March 9 to 13. The guest lecturer will be Dr. Louis I. Grossman, University of Pennsylvania. Dr. G. C. Hare will be in charge of the course.

A Refresher Course is to be held at the School of Nursing from March 11 to 13 on the topic, "The Health Needs of the High School Student."

Appointments

Dr. Andrew R. Gordon, head of the Department of Chemistry, has been appointed dean of the School of Graduate Studies from July 1 next, to succeed the late Professor Harold Innis. Dr. Gordon will continue to direct the Chemistry Department.

Marsh Jeanneret has been appointed to the new post of director of the University of Toronto Press and will take over his duties on March 1. Mr. Jeanneret graduated from Varsity in Honour Law in 1938, and has since been associated with the Copp Clark Company Limited.

Dr. W. Howard Rapson has been appointed Professor of Chemical Engineering and will lead the department's activities in pulp and paper research. A University of Toronto graduate, Dr. Rapson has had twelve years research experience with the Canadian International Paper Company and Industrial Cellulose Research Limited.

Thomas Fiendley Stones, B.A. in Administration, Manchester University, has been appointed Curator of the Modern European Department, Royal Museum of Archaeology. Mr. Stones has been with the Manchester City Art Galleries and for the past six years has had administrative responsibility for two branch Galleries, Heaton Hall and the Queen's Park Art Gallery, and the Rutherstone Loan Scheme.
